As a boy, Don Normando was raised by the sea, spending his time in the Yucatan fishing, diving & sailing the turquoise waters of Bahia Tortuga (off the coast of the Mexican Riviera). This is where his love for tequila, freshly made tortillas, salsas, tacos & hand-crafted, shaken fresh margaritas began. But! After a near death experience with Bubba & a crazy beracho at the hotel, a brief stay in jail, & a story of Casa Blanco & Los Seños only he, Ttehca & Xela can tell, he knew it was time to bring the Yucatan home. Whether it's Añejo Blanco or Resposado, enjoy Señor Rita's Tequileria & Margarita Factory.
